Professional Goals

CAREER DEVELOPMENT

As I progress in my chosen fields, I aspire to shoulder increasing strategic and leadership responsibilities. Leveraging my diverse skill set and expertise, my aim is to significantly elevate team and project performance, contributing to the overall success of the endeavors I undertake.

FINANCIAL STABILITY

My overarching objective is to establish a robust financial foundation by diversifying my income streams through contract work, engaging in joint ventures, and pursuing portfolio projects. This multifaceted approach to income generation is pivotal in realizing both my personal and professional aspirations, ensuring a trajectory of consistent financial advancement.

HEALTH AND WELLNESS

Recognizing the importance of work-life balance, I prioritize regular breaks, incorporate exercise into my routine, and engage in mindfulness exercises. This commitment to sustaining both my physical and mental well-being is integral to fostering creativity and maintaining high levels of productivity across various professional domains.

ADDED SKILLS

Remaining at the forefront of advancements in my sectors, I am committed to a perpetual enhancement of my skill set by staying abreast of emerging tools and technologies. My dedication to continuous professional growth and adaptability is exemplified through active participation in conferences, workshops, and courses, ensuring that I am well-equipped with the latest knowledge and expertise.

COMMUNITY ENGAGEMENT

Beyond personal development, I contribute my time and experience to projects, events, and mentorship programs within communities relevant to my portfolio career. My strategic involvement is aimed at cultivating meaningful relationships with colleagues, fostering the exchange of diverse perspectives, and playing a role in the broader expansion of the professional community.

PERSONAL SATISFACTION

In crafting my portfolio career, I am guided by a commitment to aligning with my core interests and principles. Regularly reassessing my objectives ensures that every facet of my work portfolio contributes not only to professional success but also to my overall sense of fulfillment and happiness. This deliberate and introspective approach underscores my dedication to building a dynamic and purpose-driven career trajectory.

PABLE CAPSTONE 2 PROJECT

MOBILE

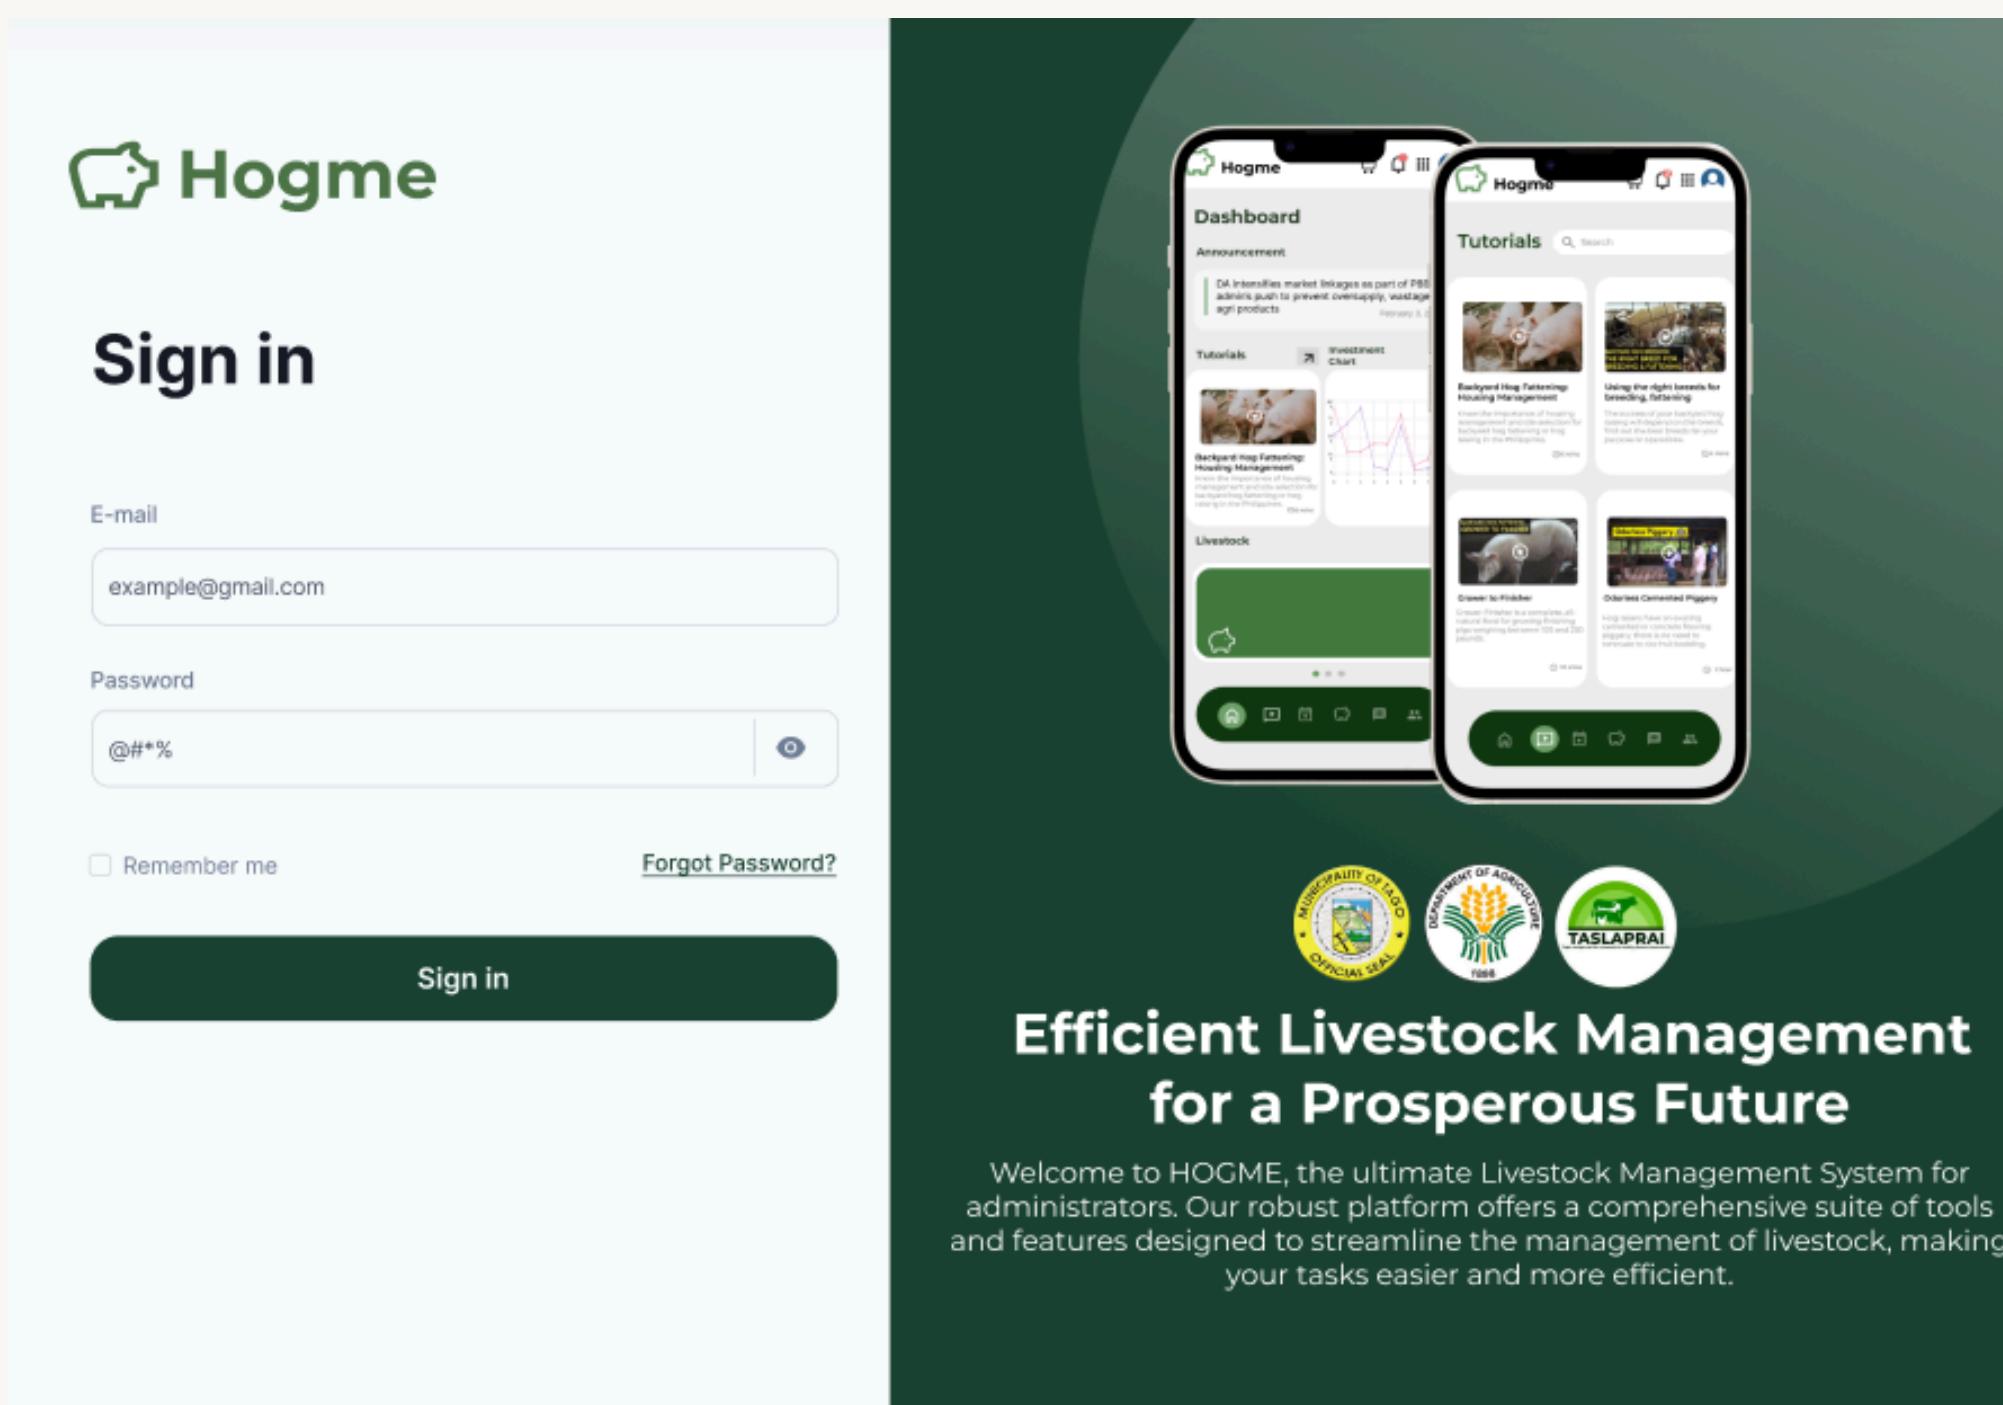

HGME CAPSTONE 2 PROJECT MOBILE

The image shows a mobile application interface for Hogme. On the left, there is a registration form with fields for First name, Last Name, Valid ID, Facility, Password, and Confirm Password. It also includes an 'Enter your email' field with a mail icon, a 'Password' field with a lock icon, and checkboxes for 'Remember me' and 'By checking the box you agree to our Terms and Conditions.' Below the registration form are two buttons: 'Log in' and 'Sign up'. The 'Log in' button is associated with the text 'New Member? Register now' and the 'Sign up' button is associated with the text 'Already a member? Log In'. On the right, there is a login form with fields for Email and Password, and a 'Forgot password?' link.

The image shows three panels of the Hogme mobile application. The left panel is the 'Dashboard' showing an announcement about market linkages, a tutorial on backyard hog raising, and a 'Livestock' section with a green button. The middle panel is the 'Announcements' section, which displays news items from today and earlier this year. The right panel is the 'Schedule' section, featuring a calendar for February and a 'Schedule of releasing' section with dates 19 FEB, 08 MAR, and 10 NOV, each associated with a grey rectangular area.

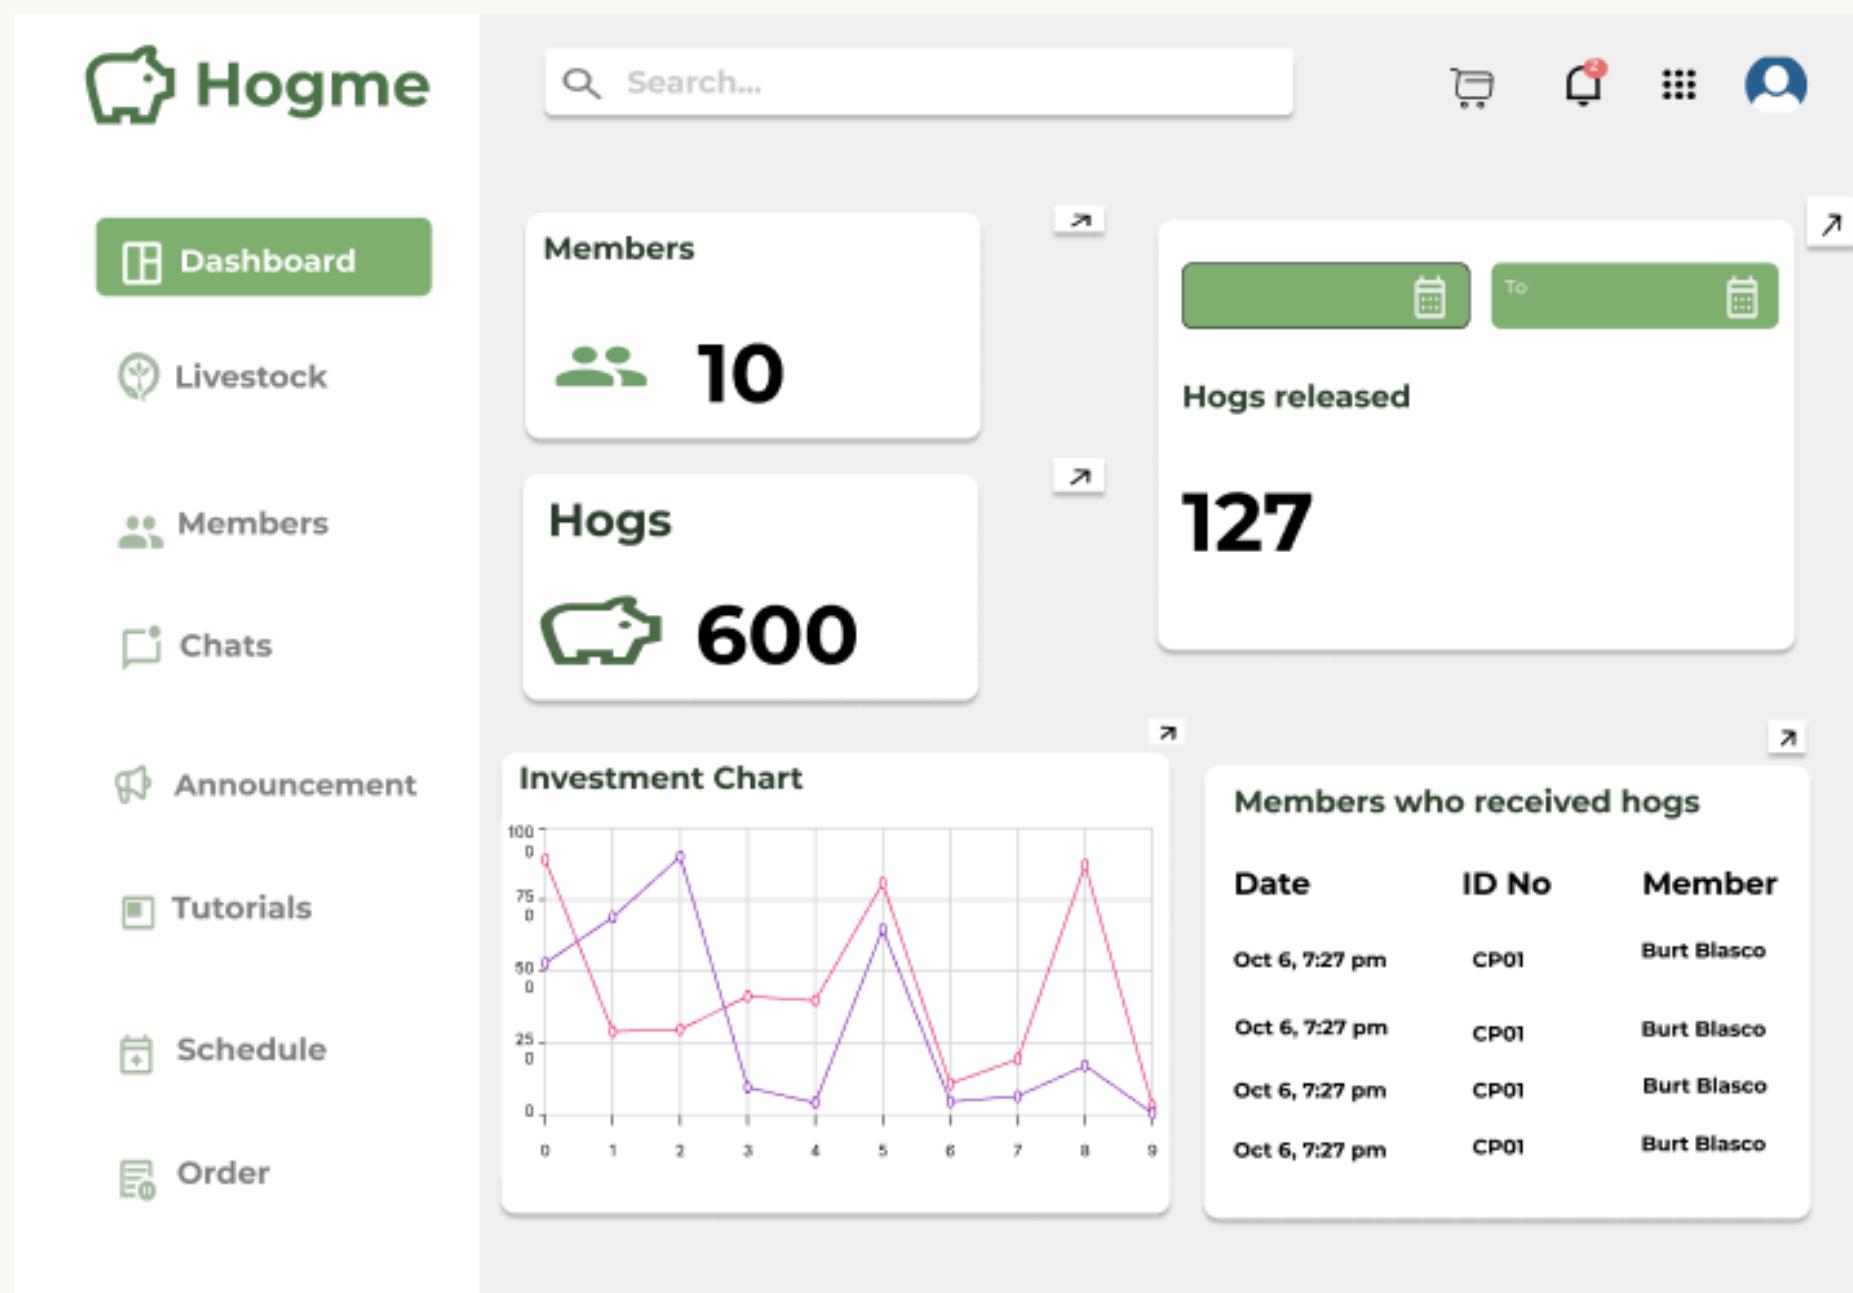

HOGME CAPSTONE 2 PROJECT WEB

The image shows two screenshots of the Hogme web application. On the left is the 'Sign in' page, featuring a logo of a pig, a title 'Sign in', input fields for 'E-mail' (example@gmail.com) and 'Password' (@#%*), a 'Remember me' checkbox, a 'Forgot Password?' link, and a dark green 'Sign in' button. On the right is a mobile phone displaying the 'Dashboard' screen, which includes sections for 'Announcement', 'Tutorials', 'Investment Chart', and 'Livestock'. Below the phone are three circular logos: 'MUNICIPALITY OF TADO', 'DEPARTMENT OF AGRICULTURE', and 'TASLAPRAI'.

Efficient Livestock Management for a Prosperous Future

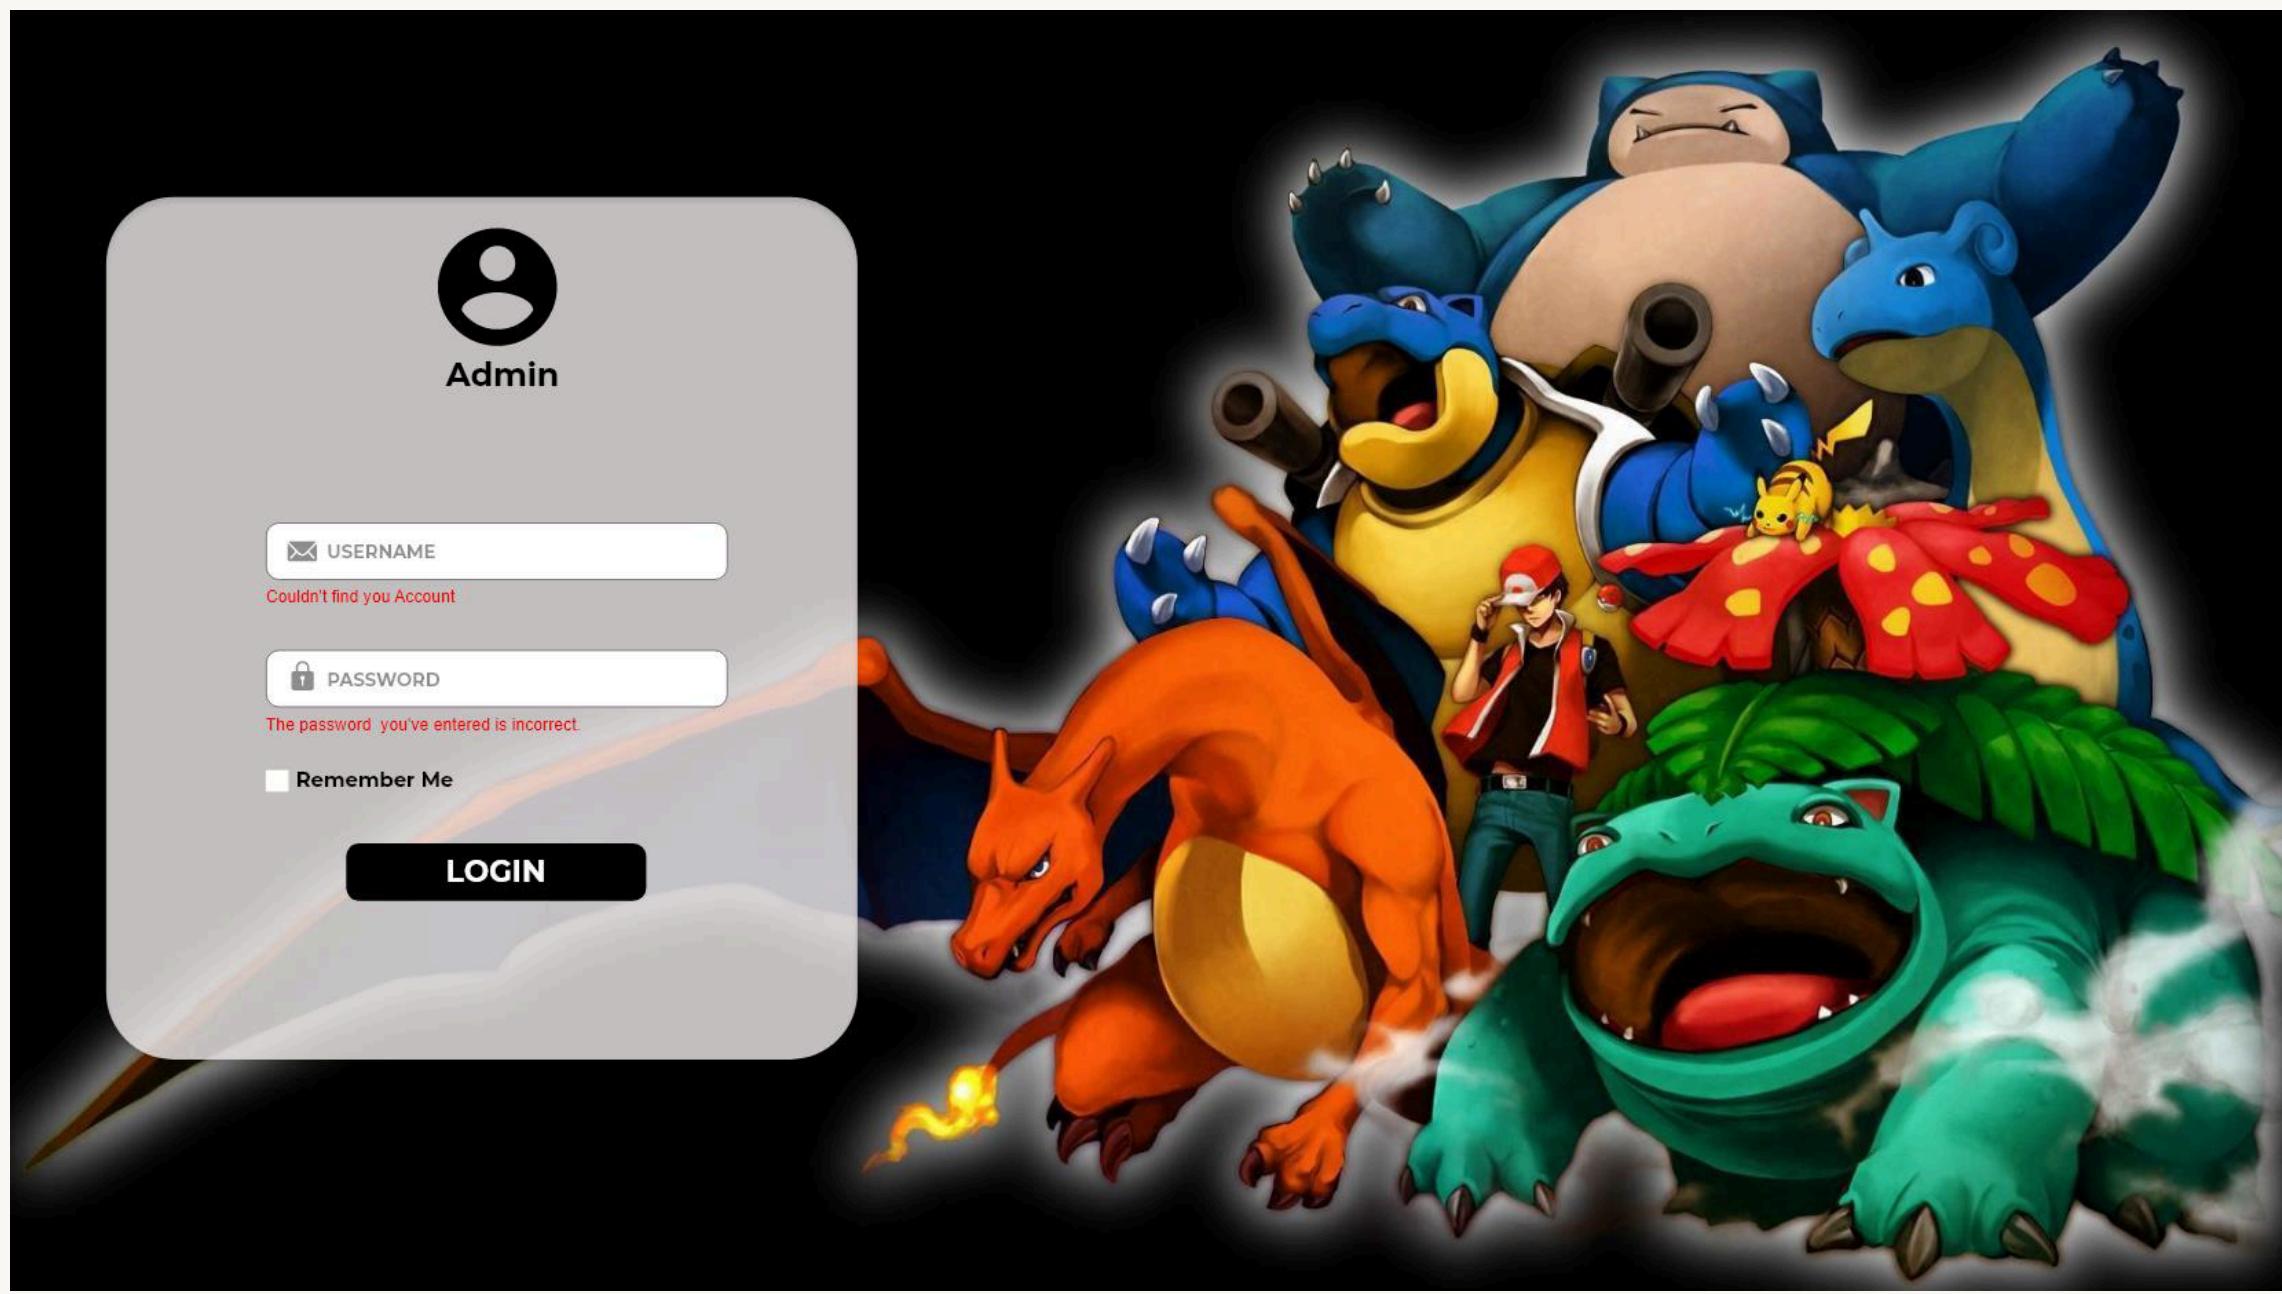

Welcome to HOGME, the ultimate Livestock Management System for administrators. Our robust platform offers a comprehensive suite of tools and features designed to streamline the management of livestock, making your tasks easier and more efficient.

The image shows the main 'Dashboard' page of the Hogme system. It features a sidebar with links to 'Dashboard' (highlighted in green), 'Livestock', 'Members', 'Chats', 'Announcement', 'Tutorials', 'Schedule', and 'Order'. The main area has a search bar and several summary cards: 'Members' (10), 'Hogs' (600), 'Hogs released' (127), and an 'Investment Chart' showing fluctuating values over time. To the right is a table titled 'Members who received hogs' with four entries for 'Burt Blasco' on October 6, 7:27 pm, with ID CP01.

ONE PUHONAN LOAN MANAGEMENT SYSTEM

The image displays a screenshot of the application's interface. On the left is a dark sidebar with icons and labels: 'DASHBOARD', 'LOANS', 'EMPLOYEES' (which is highlighted in yellow), 'BORROWERS', 'REPORT', and 'LOGOUT'. Below the sidebar is a small profile picture and the text 'Kimberly Rose Santiago' and 'kimrsgmail.com'. The main area has a header with a search bar ('Search or type a command'), a yellow tab labeled 'Employees', and a black bar with the text 'LIST OF EMPLOYEES' and a 'New Employee' button. A table titled 'Show entries 10' lists employee information with columns: ID, Name, Address, Contact Number, Email Address, and Action (with edit and delete icons). At the bottom are navigation arrows and the text '1 of 1'.
